

WAA MEMBERSHIP APPLICATION

The Wisconsin Aquaculture Association, Inc. (WAA) is the voice of aquaculture in the state. Legislators and state officials look to the WAA for input on legislation and regulations and often seek opinions from the Board regarding new research, marketing and financing programs designed to assist the expansion of aquaculture in the state.

WAA is a membership association which is solely supported by membership dues and advertising in The CREEL and on the wisconsinaquaculture.com website. For those of you who have not paid your 2006 dues, membership renewals are due in January. In order to have a strong organization, we need a large and active membership. We urge you to join today and attend one of our meetings, workshops or contact a member for how you can get involved. You will receive The CREEL, be kept up on legislation, health issues and other current issues and help promote the growth of aquaculture in Wisconsin

Membership Information & Dues Form

Name _____

Business Name _____

Mailing Address _____

Physical Address _____

City _____ State _____ Zip Code _____
